Missionary of the Month

Phil & Barb Klumpp: Philippines

- Phil & Barb have served for 38 years under ABWE International in the Philippines.
- The Klumpps currently serve as teachers and administrators at the Bukidnon Fundamental Baptist Seminary in the Philippines.

Latest Prayer Requests

- Barb's eyelid surgery went well. Recovery will take a few weeks with plenty of ice packs, eye drops, restrictions... and a black eye!
- The school year has ended at BFBS. Pray that the Lord will provide new students for June. Again, this year, there were no high school graduates in the Philippines. This greatly affects Bible colleges like BFBS.
- Phil had some important medical tests. Unfortunately, there are some abnormalities in his immune system and the immunologist is sending him to a hematologist for a possible bone marrow biopsy and some other tests.
- This was a surprise to us, but not to the Lord. At this point, we have more questions than answers and we know it may take a while for us to get any answers. We know this may delay our return to the Philippines. Right now, we just ask you to pray. We promise to let you know when we have more information.
