### **Making More Disciples**

Who in your life needs to hear about Jesus  
(your sincere faith) this week?

### **Getting Started**

Discuss ways in which you have been  
impacted by the legacy of someone else?  
(Family member, teacher, coach, etc.)

### **Read Judges 2:10**

Discuss the following spiritual legacy  
statements.

- ~ Leaving a spiritual legacy doesn't require the  
model family setting.
- ~ Leaving a spiritual legacy must be intentional.
- ~ Leaving a spiritual legacy takes time and  
doesn't always reveal results right away.
- ~ Leaving a spiritual legacy invites teamwork.

### **Read I Timothy 1:5**

As a group come up with a definition of  
"sincere faith".

Discuss in detail what this kind of faith  
should and should not look like.

### **Read Colossians 1:4**

*What action of the believers in Colosse  
does Paul link together with their faith in  
Christ?*

*How does this fit in as an expression of a  
sincere faith?*

### **Read II Timothy 2:15, 3:16-17**

*While the United States has the greatest access to  
the Bible in all the world, the attention given to the  
Bible (by Christians and others) is waning. How do  
we personally place a better priority on the Bible?*

### **Read Deuteronomy 6:7**

*How can we do a better job at passing on  
the priority of the Bible to our families and  
other believers?*
