Ministry of the Month Scarlet Thread Ministries Don DiCraсто: Executive Director

Scarlet Thread is a ministry dedicated to sharing the Gospel with junior and senior high school students all over Wayne County and connecting those students with local churches. We work to do this mainly through the operation of after school drop-in youth centers, which are now going in 8 different towns in the county. Each of these places provide safe and positive after school fun for students, weekly opportunities for them to hear the gospel and to meet caring volunteers from local area churches.

Prayer Requests

- Praise for several recent generous financial gifts.
- Prayer for wisdom for Don and the Board on many important decisions facing us.
- Prayer for the several local families who have recently lost children in tragic events.
- Prayer for additional volunteers.
- Prayer for the spiritual welfare of the 150-200 kids we see each week.

Serving Opportunities

Scarlet Thread is always looking for volunteers at their after-school youth centers. Contact Don DiCraсто for more information.
