The Philippines ABWE International

We want to thank you for your prayers and support in our various ministries. Thanks to covid, the seminaries in the Philippines have been having online classes, so Phil continues to teach online at two of the

Bible Schools. Thanks for praying that the students would be compassionate in serving Christ. A new law in China (started March 1) restricts online religious activity, which could greatly affect our ministry with the Chinese, who are now back in China. We have been advised to continue as normal and wait and see if they are afraid to come. Barb has continued to disciple a scholar every Tuesday who had accepted

Christ here in Buffalo. She also teaches a class of former Buffalo scholars every two weeks (as far as we know, none are believers). Two unsaved sisters, who she had been teaching have been very busy lately, but we are hoping that they will resume their weekly study in the Word. Pray that these classes could continue in spite of the restrictions. God is able to do this! Together we have continued teaching a weekly class with international students and scholars at a local state college.

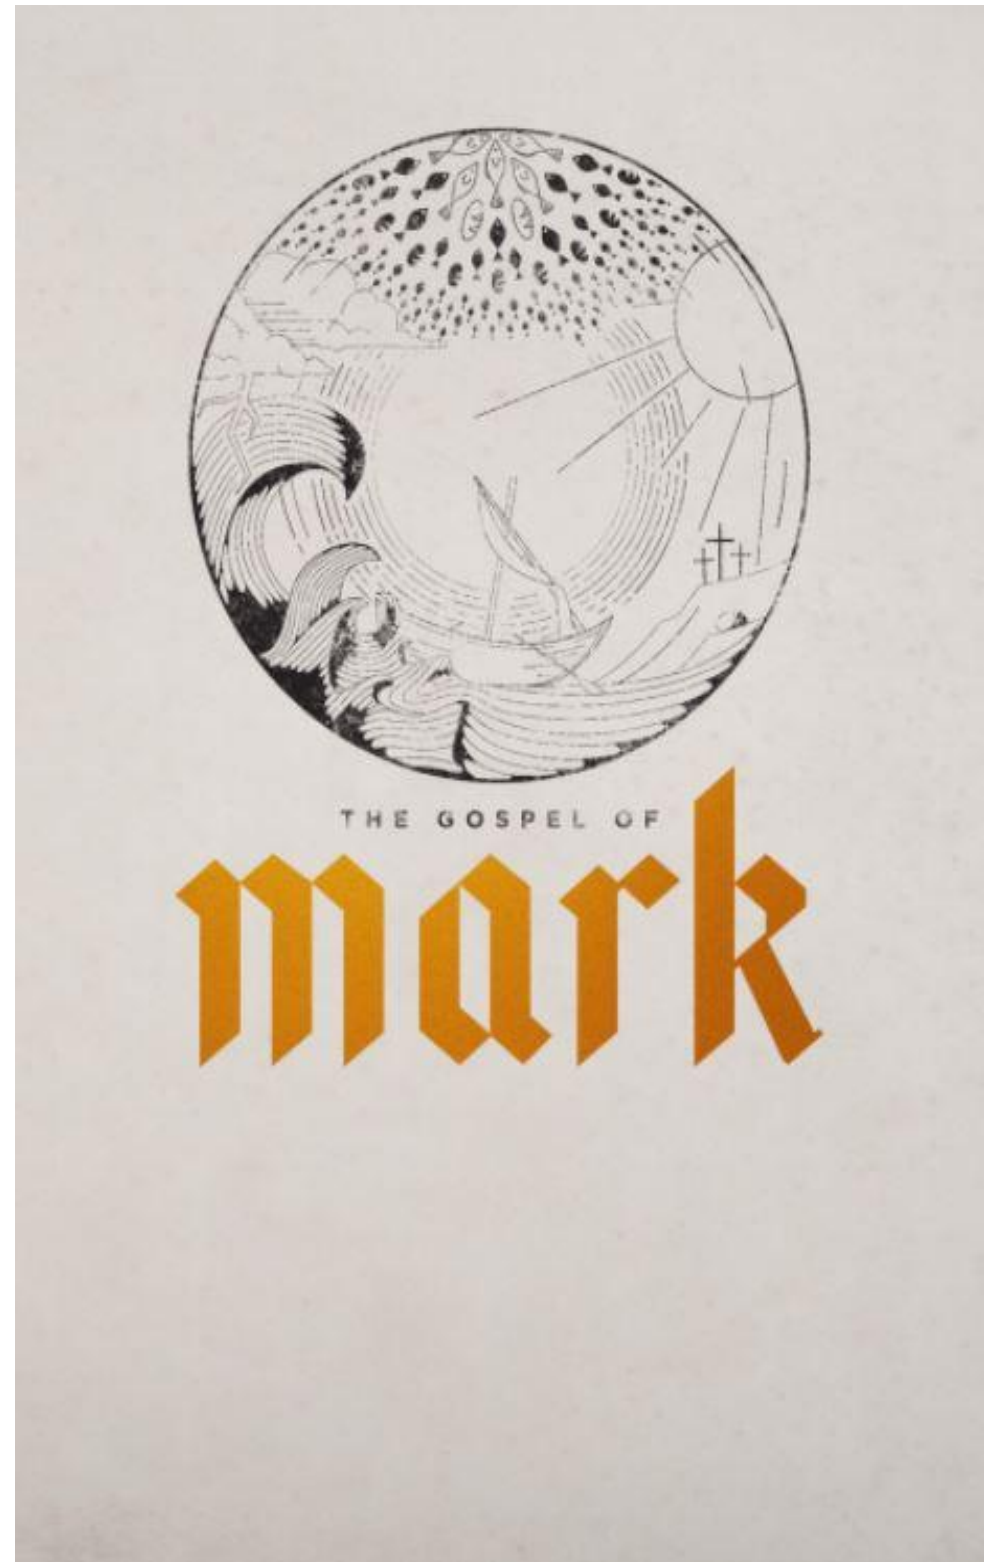

This is a great opportunity, and we pray that the Lord would give us students and that we could develop relationships with them in and out of class. The number of international students at this college has dropped from 300 to a total of 65, but we are thankful for an open door.

Continue to pray for Phil's health and protection from disease. He continues IV infusions every four weeks with a nurse who comes to the house. The Lord has been so faithful, and we thank Him for each opportunity that He gives. Thanks for your partnership!

ARE YOU A GUEST TODAY?

Welcome to Bible Baptist! We would like to make a connection with you; we ask that you do a couple of things:

1. Fill out a connection card located in the back of the pew.
2. After the service, bring the filled out connection card to the welcome table in the lobby in exchange for a welcome bag.
3. Read over the church information and enjoy the gifts.

If you have children - We provide a safe, clean nursery as well as a structured children's program during both services.
