Mission: Our mission is to offer Christ-centered compassion, hope, and help to women and men facing unexpected pregnancy and making life-changing decisions.

Care Net of Wayne County provides free medical services, referrals and support to anyone facing an unplanned pregnancy. Whether you want to learn more about all your pregnancy options or would like a supportive place to make a decision come visit us.

Praise:

- Praise for God's faithfulness and protection through this year, and for the opportunity to share the gospel as well as classes at a rehab center for moms and expectant moms in Newark.
- Praise for a new Embrace Grace church, Cornerstone Fellowship in Newark. This is a church that is inviting several young expectant couples to come for a series of lessons to prepare them for parenting..
- Praise for interest in applying to volunteer on the board and at the Center!

Prayer Requests:

- Prayer request for continued partnering in ministry and people with particular skills to step into their callings regarding Care Net
- Prayer request that the hearts of youth are turned toward the Lord and his love for them, through their local church and/or Scarlet Thread afterschool programs. They must be reached with the Word before their confusion and spiritual need results in unplanned pregnancy, substance use, or other crisis situations.
- Prayer request for Outreach Volunteers for Care Net. A group of ad hoc helpers will be formed to table at Farmers' Markets and other community events.

3. Read over the church information and enjoy the gifts.
