With the financial and spiritual support of our entire community we are working on three very large tasks. These naturally generate much need for all kinds of support, which you have already been so gracious to provide.

1. *Through the grace of God we are fast underway in preparing for another school year at East Palmyra Christian School. We are welcoming 15-20 new students and their families and have hired two new staff members. One of them being Eric Graves (BBCS) as our second grade teacher. Please pray that all of the pieces of the puzzle come together on time for the start of a new year.*
2. *Due to continued growth, we are adding on a 3200 sqft music hall which includes an office for Lauren Bell (BBCS) to provide more classroom space for our growing population. At this time we are on schedule to open the first day of school but there is still much work to be done. Volunteers are needed for many projects to keep the costs down, and prayer for everything to stay on track. A generous donor has offered up to \$60,000, for every dollar given to this project in order to finish the project debt-free, we hope to meet this matching pledge. Please pray for this important capital project.*
3. *We will be finishing up a two year process of becoming accredited by Christian Schools International. This fall other Christian educators will be traveling to East Pal for several days, to audit our books, policies, curriculum and quality of education. We desire to meet and exceed these high standards and share all of the great things God is allowing us to do, in shaping the eternal souls of children in Wayne County.*

### ARE YOU A GUEST TODAY?

Welcome to Bible Baptist! We would like to make a connection with you; we ask that you do a couple of things:

1. Fill out a connection card located in the back of the pew.
2. After the service, take the connection card to the welcome table in the lobby in exchange for a welcome bag.
3. Read over the church information and enjoy the gifts.

If you have children - We provide a safe, clean nursery as well as a structured children's program during both services.

During August & September we are collecting glue sticks, pencils, and crayons for Sodus Elementary School classrooms.

Collections bins are located in the foyer
