

Ministries of the Month

Makarios

Dominican Republic

www.makariosinternational.org

We believe that in order for generational change to occur in vulnerable communities spiritual restoration must take place within the family unit. We dedicate our work to advancing God's kingdom by being vessels to bring about this change in the family, church, and school for a better future.

Prayer Requests

- Please pray for the staff and their families. Please pray for wisdom and direction for the team and the work overload of teachers.
- Please pray for student W who is living outside of his home and his behavioral struggles.
- Please pray for the new cohort of University and Career Readiness students as they decide what they are going to study and those who are awaiting documents.

Praises

- The newly hired doctor at the Makarios School has been a big blessing to the organization and key in helping prepare for the medical clinic that will take place next month.
- The first community visits of the year were a success
- The Redeemed Motherhood study is empowering mothers to parent in light of the gospel
- Praise God for the resources the Lord has provided for us.
- Our School accreditation and recognition of the upper middle school and lower high school grades are now guaranteed by the government.
