Andrew and Anna Smith are a pilot/mechanic family serving with Ethnos360 Aviation in Papua New Guinea. Currently, church planters in over 40 locations in Papua New Guinea are relying on Ethnos360 Aviation to help sustain them in their ministry.

Prayer requests:

- Need more pilots. Have planes, but no one to fly them
- Andrew reached his number of hours needed to move ahead to next stage of training.
- Need a Doctor in their clinic. He is retiring and no one to take his place.
- Anna asked for wisdom as she is asked to do things normally not done in the US.
- They have received 100% of their support but will lose \$300 a month when a supporter retires.
- Anna working with language helper and a Bible study. Asked to be able to reach that family with the Gospel.
